SHADES OF INDIA

Where to turn now?

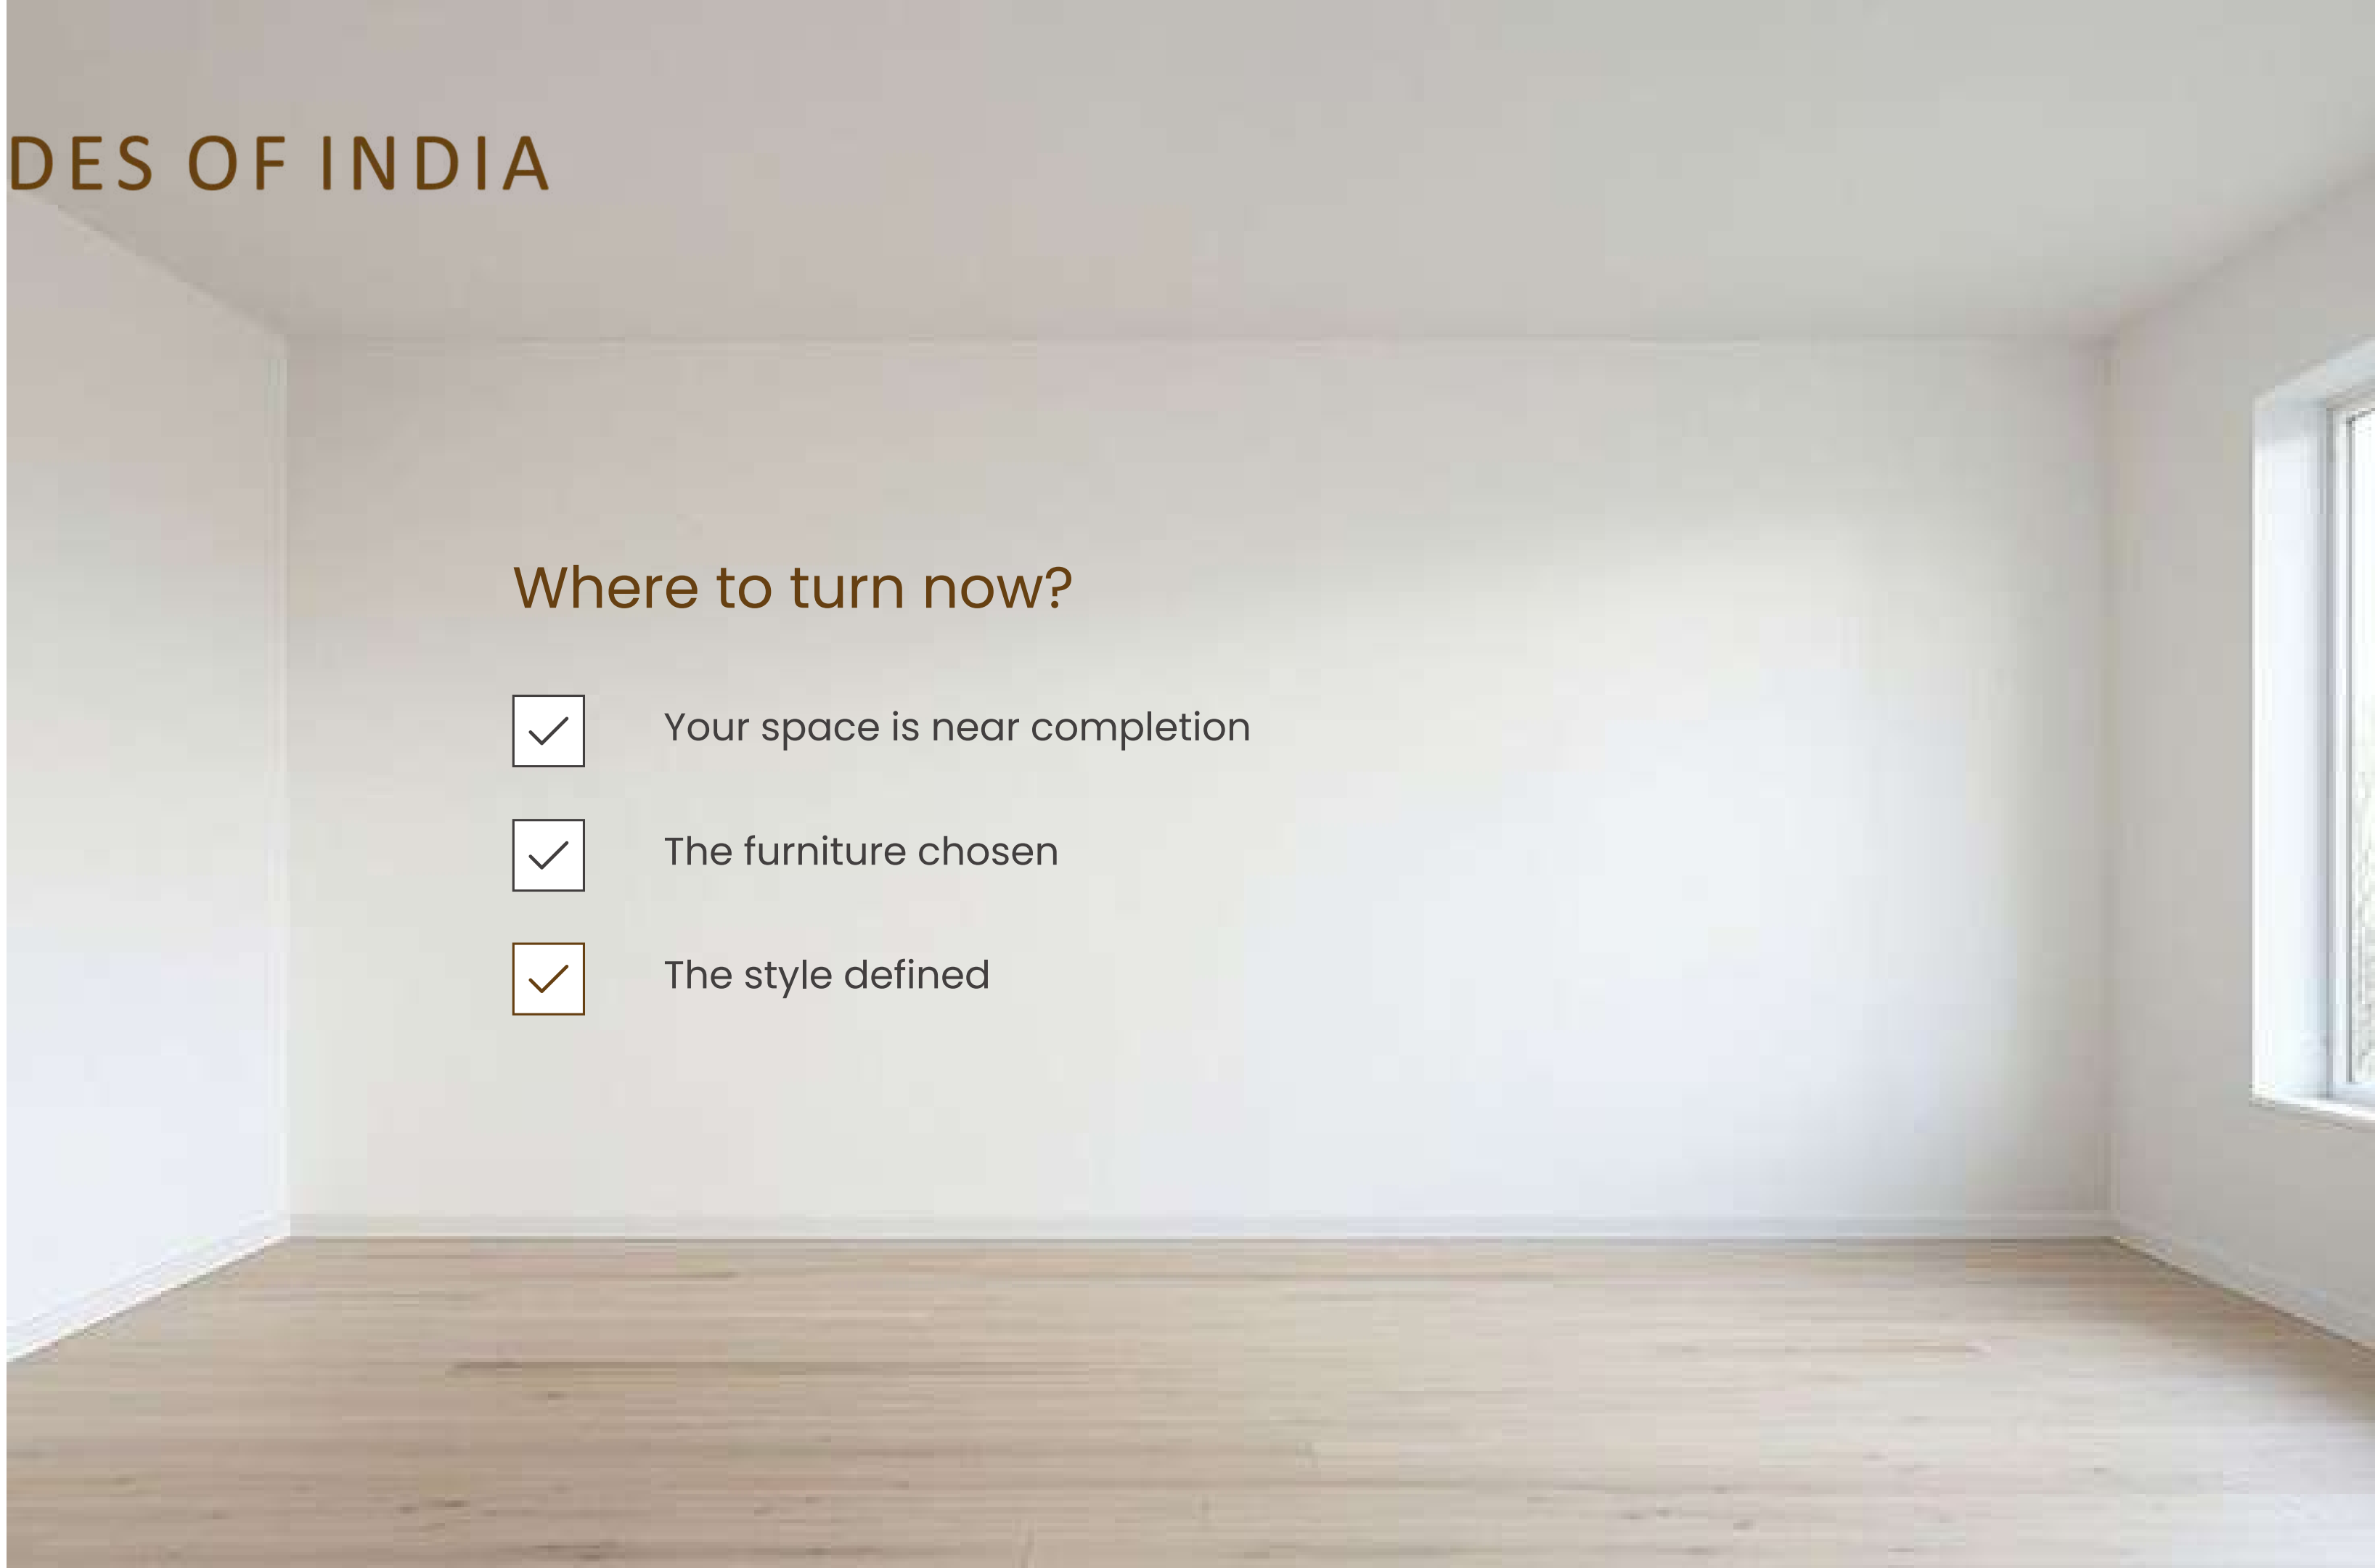

Your space is near completion

The furniture chosen

The style defined

But there's one missing piece...

Textiles

that bring warmth, depth and character to your space

■ Who can help coordinate textures and colors?

■ Who will truly understand my vision?

■ Who will turn my vision into reality?

Shades of India is here to fill that gap. With 30 years of experience crafting unique, high-quality textiles.

We collaborate with architects and interior designers to make this final step exceptional.

Our specialised team of designers and project managers are experts in crafting custom textile solutions, from window dressings to curated soft furnishings for high-end residences and luxury hospitality.

"Creating beautiful textiles is my passion, fabric are canvases, where I express my creativity. Textiles in our homes often tell stories and eventually become an integral part of our lives."

- Mandeep Housego
(Co-founder/Design Director)
